Electrical Short Course – Daytime

Certificate in Fundamental Inspection, Testing & Initial Verification

City & Guilds 2392-10 Level 2

3

Morris Services Limited is offering the ideal opportunity to extend your skills in the Engineering industry. The knowledge and skills acquired on this course could enhance your career prospects.

Date and time of course

Please see our website for scheduled dates during the academic year.
Daytime Programme – 5 Days (Monday's 09.00 – 17.00)

Course fee

£445.00+VAT

The course fee includes exam registration and examination, teaching and all learning materials plus refreshments throughout the course.

Course content

This qualification was developed in conjunction with the electrical industry (including NICEIC and ECA) in order to meet the needs of the industry and centres and to provide candidates with an introduction of how to inspect and test (conduct the initial verification) of electrical installations.

It is aimed at practicing electricians and domestic installer's who have not carried out inspection and testing since qualifying or who require some update training before going onto achieve the City & Guilds 2394 Level 3 Initial Verification and 2395 Level 3 Periodic Inspection, Testing & Reporting of Electrical Installations.

It will also support candidates in demonstrating the required level of competency in inspection and testing of domestic installations when being assessed for self certification within a Part P scheme.

Examination

Candidates will be required to complete the following two assessments:

knowledge test online (closed book)

Practical assessment

Please see our website course page for detailed information on the publications required for the course together with a suggested reading list.
