Electrical Short Course -Daytime Level 3 Building Regulations for Electrical Installations in Dwellings (Part P) City & Guilds 2393-10 Level 3

Morris Services Limited is offering the ideal opportunity to extend your skills in the Engineering industry. The knowledge and skills acquired on this course could enhance your career prospects.

Date and time of course

Please see our website for scheduled dates during the academic year.
Daytime Programme – 1 x Monday (9.00 – 17.00)

Course fee

£195.00

The course fee includes exam registration and examination, teaching and all learning materials plus refreshments throughout the course.

Course content

The primary aim of this knowledge based Level 3 qualification is to enable practicing electricians, operating in the domestic environment, to gain an understanding of how electrical installations in dwellings must comply with all relevant Building Regulations. It is suitable for those working in the building trades and others who require a working knowledge of how electrical installations in dwellings can affect the building construction.

Examination

Candidates will be required to complete the following two assessments:

Online Assessment

Please see our website course page for detailed information on the publications required for the course together with a suggested reading list.
